- Aesthetically constructed edifice, spacious airy classrooms and corridors.
- Several of the Final Year students are University Rank Holders/Merit Achievers.
- Awards for academic achievements.
- Team of highly qualified and experienced faculty members.
- Highly sophisticated computer laboratories with more than 100 systems.
- Round the clock internet access to students in the lab and library.
- English Communication Laboratory.
- Microprocessor and Digital Laboratory.
- Air conditioned seminar hall.
- Conference hall.
- Open air auditorium and play ground
- Canteen offering delicious vegetarian food at subsidized rates.

About Us

Guru Shree Shantivijai Jain College for Women is founded by Shree Mahaveer Jain Kalyan Sangh (Established in 1967), a Voluntary Charitable Jain Association, dedicated to the cause of education and social upliftment. The college is named after the great Jain Saint Yogiraj Guru Shree Shanti Vijaiji Maharaj of Mount Abu (India) to mark the memory of his birth centenary celebration. We embarked on a mission with a goal of imparting qualitative education to young women, inculcating moral values and instilling confidence in them. Regular Day College was started in the academic year 1991-92 and Evening College in the academic year 1995-96. This is a Self Financing College approved by the State Government, Affiliated to the University of Madras & Reaccredited by National Assessment and Accreditation Council (NAAC). It is also established and administered as a Religious and Linguistic Minority Institution.

The college aims to provide an excellent academic environment to augment and accelerate, learning in students and enhance their inner talents & potentials. A unique learning experience is provided, through which the students acquire the sterling qualities of leadership, courage and truthfulness and become the torch-bearers with a noble mission in life.

We have evolved a distinct methodology of teaching to achieve this objective. We maintain high standards of excellence in the academic sphere and also provide facilities for co-curricular and extra-curricular activities.

Academic and Infrastructural Facilities

Prayer Block

The college provides access to an independent aesthetic prayer block to seek the blessings of the Almighty God - the Divine force behind all our success.

Lecture Rooms

Spacious, ventilated and lavishly furnished lecture rooms having polished marble floor are provided with modern teaching aids and systems along with elegant new furniture in each room.

Teaching Faculty

The teaching faculty comprise a dedicated team of competent, qualified, experienced and knowledgeable professors, imparting quality education and rendering selfless services apart from developing the culture of self-motivation and discipline among the student community.

Teaching Aids

Smart Classroom technology with interactive white boards has been installed in classrooms to facilitate effective teaching learning process. LCD projectors, Audio/Video systems are also utilised to grasp facts easily and quickly.

Library

The college Library plays a vital role in supporting the academic and research needs of both students and staff by providing access to quality learning resources and a conducive study environment. The college has two libraries: one for Postgraduate (PG) students and another for Undergraduate (UG) students. Together, the PG and UG libraries have a total collection of 13,989 books. The libraries subscribe to various

periodicals, magazines, and National and International Journals to support teaching and learning. In addition, E-Resources facilities are available for both students and staff, enabling access to digital learning materials and online academic resources.

Computer Laboratories

The college provides two highly sophisticated computer laboratories with more than 100 terminals and gives an opportunity for excellent hands-on experience on the updated machines with licensed software. The college has Microprocessor Equipments, Multimedia Lab, Communication lab and Internet Connectivity. The computer labs are kept open from 8.00 a.m. to 6.00 p.m. on all working days facilitating the students to spend more time on the systems.

Internet Facilities with Broad Bandwidth

The college provides free net access to all the students. This is mainly to help students to get exposure to the world wide web and technology development.

Air-Conditioned Seminar Hall (Vardhamaan Hall)

A fully Air Conditioned Seminar Hall provides the right ambience for conducting seminar, symposiums and guest lectures.

Play Ground

Ample facilities for Indoor, Outdoor Games and athletic events are available on campus.

Canteen facility

The college provides a cafeteria catering to the needs of students by offering vegetarian food at subsidised rates.

Life at GSS-Campus Activities

Admission Guidelines

Application forms are issued at college office during working days/hours, at a cost of Rs. 300/- (Three Hundred Only) each which includes Registration charges. The facility to apply and register online with same payment is also being made available.

Submission of Application Form by online Process :

The Application form(s) can be submitted at college office or also online after downloading from site, filling up duly required details, along with enclosures

The Mark sheets copies of X and XI Std should be enclosed for initial registration, before the declaration of XII Std Board exams results along with copies of other available Certificates. Meritorious Students and Jain Students may be considered for provisional admission on payment of full fees.

When the result of the qualifying exam (+2) is declared, the same should be mailed with reference to your Registration No.

One Application Form is sufficient for applying two UG Courses but separately for Shift I and II and also as per Group of Courses viz Commerce & Management (B.Com/BCS/BBA/BISM/B.Com A&F etc) and Science Courses (B.Sc. Computer Sci./ Home Sci.) etc subject to eligibility but giving preference of their choice courses (First/Second etc). invited for interview. However

receipt of the interview communication does not guarantee admission.

Interview communication will be sent by e-mail/sms.

Candidates, when called for personal interview will be required to pay First Year fees, along with admission and university registration fees, etc., immediately after selection. Request for either changing the date of interview or deferring payment of fees, etc., is not entertained. The decision taken after the interview will be final and request for a change of group is not entertained. No intimation will be sent to those who are not selected for interview.

Applicants who receive the interview communication must present before the Principal/ selection committee on the date and time indicated there in, necessarily accompanied by their Parent/ Guardian.

They are required to produce the following certificates in original, at the time of interview.

- (I) Transfer certificate from the school last studied along with X std & XII std mark sheet.
- (ii) Conduct certificate from the school last studied.
- (iii) Community certificate from Tahsildar / Deputy Tahsildar (only for the candidates belonging to BC/MBC/DNC/SC/ST communities)

Students from other State Boards must produce

- (i) Migration Certificate
- (ii) Course certificate from the Principal or Headmistress of the school last studied.
- (iii) Original Mark Sheets, Transfer Certificate and Conduct Certificate.
- (iv) University Eligibility Certificate .

Candidates who fail to appear on the date and time of the interview or appear without any of the above certificates will have their selection automatically cancelled. Interview alone does not guarantee admission until it is approved.

Note : The DD for payment of Fees & Deposit, etc., must be carried along with the above certificates, during the interview. Online payment of fees facility is also available.

Selected candidates should pay the Admission Fee, Annual Tuition & Special Fee, etc, immediately after the admission is approved. All admissions are made provisionally at the discretion of the Management, subject to the approval of the University of Madras.

Important Instruction to Students : All original certificates including Community Certificate produced

at the time of admission will be retained at the college office and returned once not required by the institution. They are, therefore, advised to take adequate copies of all certificates for further use before submitting the originals to the college. Those who want to register at Employment exchange can do so before submitting the application form for admission.

Payment of Fees : Fees will be collected on Semester basis at the end of every year (during Feb/March) for the next Academic year which includes Tuition Fees, Special Fees, etc. Apart from this, University Exam Fees should also be remitted. Hence parents are requested to make all financial arrangement for prompt and full payment of fees and not depend on scholarship after getting admission. The management is not responsible if the student suffers due to late receipt of interview card, non payment of Fees by parent which should be noted carefully.

Withdrawal After Admission: A student who has once enrolled and paid first year fees for a course is expected to complete the course and must not withdraw from the college.

Fees once paid will not be refunded under any circumstances. Request for extension of time for payment of fees will neither be acknowledged nor considered.

The college authorities reserve the right to revise the tuition and other fees at the commencement of each academic year whenever considered necessary.

Note : The college is Self-Financing and does not receive any Financial Aid or Grant from the Govt., University or UGC. Being a Charitable Institution, the fees charged is very nominal to meet recurring costs and Financial Commitments of Faculty & Staff. Hence, withdrawal after admission leads to Budgetary loss

with no compensation from any source. Therefore Parents & Students must help the institution by completing the Degree course and prevent any loss incurred otherwise.

Commencement of First Year Classes

Classes for the first year students of the under graduate courses are scheduled to commence as per the notification from the Govt. and exact date will be communicated later.

Timing of College

Day College : Monday to Saturday from 7.50 a.m. to 1.30 p.m. with a break of 30 minutes.

*Second & Fourth Saturdays may be holidays.

*Saturdays : In addition to regular classes, Value Addition/Certificate/Professional Courses, etc., are be conducted for students at extra cost.

General Rules and Regulations

Tests and Examination

Periodical Tests and Examinations are conducted regularly and attendance for each test and examination is compulsory. All students are expected to take their class tests, monthly tests, terminal, revision and model examinations without fail. Absentees will be viewed seriously.

Dress Code

Every student should wear decent and modest dress and not wear tight fitting dresses, sleeveless tops, short tops, tight and transparent filmy clothes. They are expected to uphold the moral values and standards of life. Jeans/tight fitting pants are not permitted inside campus.

Mobile phone

Usage of mobile phones in classroom is banned in the campus and those violating the rule will be heavily penalised.

Ragging

Ragging is strictly prohibited. If any incident of ragging is brought to the notice of the authority, the concerned student shall be given opportunity to explain and if the explanation is not found satisfactory, the student would be expelled from the institution.

Attendance & Leave of Absence

Every student has to attend college regularly and punctually on all working days. A minimum of 75% attendance is necessary to become eligible to appear for the University Examination. Students who are recipients of any scholarship should have 90% attendance and those students who do not have enough attendance will not be permitted to appear for the University Examination.

As per the university rules, students having less than 50% attendance (even on medical grounds) are not eligible to continue studies in the next semester, and hence will be given Transfer Certificate after collection of dues.

Any student who wishes to take leave should send the leave letter duly countersigned by the Parent or Guardian. In case the leave is due to unforeseen circumstances the leave letter should be submitted immediately after returning to the college. If the leave exceeds 3 days without valid reason or prior intimation or a proper leave letter signed by the parent, severe disciplinary action will be initiated against the student. If, however, the student is genuinely ill, a medical certificate should be produced.

No student is permitted to stay away from class after coming to college. Students are forbidden from

leaving the college without an out pass signed by the Head of the Department and the Principal.

Regular attendance to classes, library and physical education hours is expected from all students. Students abstaining from classes without prior permission will be dealt with severely.

Attendance is compulsory for students on all important days such as Independence Day, Republic Day, Sports Day, College Day, Annual Inter Collegiate Conference Day, etc., and all College functions.

The College expects every student to uphold the discipline both within and outside the college premises.

The Role of Parent

Parents are requested not to absolve themselves of their responsibilities once their daughters are admitted into the college. They must ensure that their wards attend classes regularly and take tests and examination regularly. Academic Progress Reports are periodically sent to the parents. They are expected to peruse the report and sign. The parents are expected to take care of their wards and monitor whether their academic performance is good. Their academic performance throughout the year will be given extra attention and care in the college by the concerned staff and the parents are requested to keep in touch with the college in this regard. Parents are requested to go through the Rules and Regulations of the college carefully before seeking admission for their wards. They are required to sign the form of undertaking which is a part of the application form for Admission.

Students who lack the required percentage of attendance and performance will not be allowed to write the University Examination as per the University notification. No request or appeal from the Parents will be entertained in this matter under any circumstances. They must keep in touch with the Principal and Faculty members regarding the continuous progress of their wards in studies and their general conduct and behavior. Parents may also contact the Principal on any matter concerning their wards, with prior appointment only.

It should be noted, as it is a Jain Minority institution, specific religious holidays and rules protecting the religious sentiments are observed. Non-vegetarian Food including eggs are strictly prohibited within the College premises.

Earnest Appeal

Only those students who are serious about their future career and fully convinced about the campus environment, code of conduct, rules and regulations of this college are requested to apply and get admission in the college. Please do not waste your money, valuable time and our efforts, if you are not sure of getting degree here, thereby helping the deserving person to get educated and shape her future.

Parents are specially requested to give personal attention to prospectus and get suitable advice before taking your joint decision about the course and the college.
